

# THE AGENCY FOR AGENCIES

Having the right tools and knowing how to use them is key to successful communication. When you work with GPO you have access to the latest technology, expertise in printing, Web, design and many specialized services.

**GPO is *the* communication agency for Congress and Federal agencies.**

## **GPO Customer Services includes**

National Account Managers (NAMs), Agency Strategic Teams (ASTs), Congressional Publishing Services, Creative & Digital Media Services, Quality Control, and the Institute for Federal Printing & Electronic Publishing (IFPEP).

Please join Customer Services on **Thursday, August 9th** from **9 am to 11:30 am**. It's easy — **we're one block from the Metro**. Have coffee and a bagel. Review recent projects and take a tour. Meet the people who **Keep America Informed**.

- We're located at **732 North Capitol Street, NW**
- RSVP by **August 3rd** to **openhouse@gpo.gov** with name, address, and phone of all who will be attending
- 10:00 am to 11:00 am tour — **reserve your place**

**Thanks for your interest — See you August 9th.**
